

Just 15 minutes drive from Yelahanka junction on Yelahanka Doddaballapur Main Road will bring you to this 44-acre lifestyle destination. A home with the kind of surrounding you can only expect in dreams. A 80-foot wide road in the front and a neighbourhood that's home to open green spaces, spas, educational institutions, resorts and Public Sector Units. The international airport is easily accesible through an IVC Road, plus the place is well connected by public transport. All in all, a home that's at the epicentre of future Bangalore.

Master Plan
