About Developer

Hiranandani Palace Gardens is building on the heritage of the Hiranandani Group (Hirco), which, within India, successfully pioneered the concept of large scale integrated townships and self sufficient communities that provide the highest lifestyle standards at an affordable price.

For over 25 years the Hiranandani Group has been the byword for quality and innovation in construction. The Hiranandani Group has over 30 million square feet of completed development to its name, of which 21 million square feet is residential making it the largest residential builder in India. We are known for our distinctive architectural designs and the high percentage of green space within our townships.
